PROPERTY DESCRIPTION

Brand new custom built four bedroom, three full bathroom home set on a picturesque lot. The exterior of the home features vinyl siding with great stone accents, plus running behind the home, you can find the serene "cuff brook". This 2,500 square foot floor plan has plenty of space and flexibility for today's fast passed lifestyle. Finishing touches you're sure to appreciate include gleaming hardwood flooring and 9' ceilings throughout the first floor, plus gorgeous crown molding and large wood trim around the windows and doorways. Gourmet kitchen boasts granite countertops and has a \$2,000 appliance allowance. Oversized custom designed kitchen offers a choice of styles and finishes.

Spacious master bedroom suite - 14' x 17' - has a walk-in closet as well as a spa like private bathroom with ceramic tile flooring, soaking tub with ceramic tile platform and a marble vanity. The two additional bathrooms in the home also have ceramic tile flooring and marble vanities. Added bonuses of this home include a gas fireplace, two car attached garage and a 12' x 12' trex deck with cedar rail system. Come see this one today!
