## PROPERTY DESCRIPTION

Welcome to this well maintained townhouse style unit in Quarry Village. As an end unit, it allows for privacy and a beautiful tree-lined yard. With two bedrooms and two and a half bathrooms, each person has more than enough space.

Hardwood flooring and crown molding greets you upon entrance into the formal living room. The chef of the household will find the kitchen to be a great, brightly-lit space boasting stainless steel appliances and an eat-in area. Special occasions will be spent in the formal dining room complete with chair railing and crown molding. The star of the household is the family room. With its skylights, wood fireplace and access to the rear deck, it's where you and your guests will spend the majority of your time.

Upstairs find a generous master bedroom suite that boasts a walk in closet and full bathroom. Both bedrooms offer wall to wall carpeting and a ceiling fan. Added bonuses include a full basement for all your storage needs and a new hot water heater. This Cheshire gem will not be around for long!
