PROPERTY DESCRIPTION

Spanning two acres of beautiful Cheshire land is this terrifically maintained cape cod style home! This wonderful residence, which was converted from a 1783 barn, is still inhabited by it's original owners who are ready for a new buyer to transform it into their very own abode. Ideal for a brood of any size, this home contains four bedrooms - including one which can be converted into a cozy family room - and two and a half bathrooms.

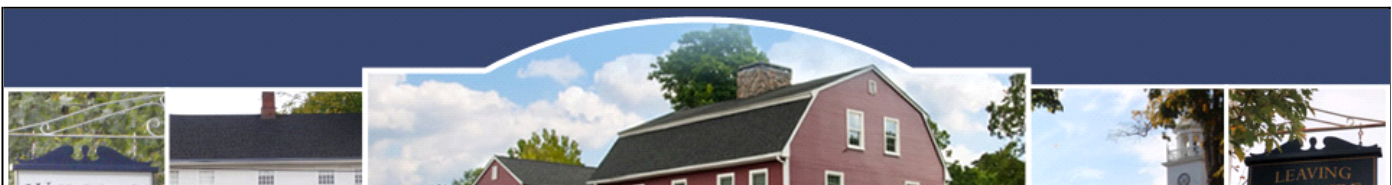

Upon entering the living room, the intricate detailing of the exposed, original chestnut beams and wood burning fireplace with pine surround will provide a snug environment for tranquility or spending cherished moments with loved ones. For the food extraordinaires in your home, the hearty kitchen's pine cabinetry, new Corian counter tops, new appliances and a dining area provide substantial space to whip up an intimate dinner or host a holiday feast for a large gathering. Additionally, the kitchen has access to the screened in porch which will be one of the favorite rooms of the house for getting lost in a page turner, or making a cup of hot coffee to enjoy while gazing upon the changing seasons.

After a long day, wind down in the restful master bedroom boasting hardwood flooring and two large closets in addition to it's advantageous first floor location. When a breath of fresh air is desired, the expansive two acres of terrain are all yours to enjoy for a transient walk or a friendly neighborhood touch football match. Future memories can be created within the attributes of yesteryear - don't let this opportunity to own a piece of history pass you by!
