PROPERTY DESCRIPTION

Welcome home to this adorable two bedroom ranch! A wood burning fireplace in the formal living room is a warm and welcome greeting and the hardwood flooring adds a sophisticated touch. The family room offers a wide open space with direct patio access for easy transition between outdoors and in during warmer months.

The remodeled kitchen is sure to please the cook of the household. All the necessary amenities are here - a refrigerator, stove top and wall oven, as well as newer wood cabinetry and counter tops. With three large windows to frame the breakfast area, the sun shines through while you enjoy your morning cup of coffee.

The master bedroom is well sized and has an en suite bathroom for convenient morning routines. Backyard barbecues are a must with the picture perfect patio in a private tree-lined surrounding and the yard is nice and level as well as spacious. Added bonuses such as a new driveway, new furnace and new oil tank just enhance this already great package. On top of it all, it's conveniently close to 84. Don't let this one slip away!
