PROPERTY DESCRIPTION

Come see this well cared for split level nestled on an oversized lot. Great assets you're sure to appreciate year round include the new windows and new roof. Large bow window in the formal living room allows natural lighting to flow throughout; additionally hardwood flooring and neutral decor ease in personalizing. No need to worry about space in the wonderful kitchen which offers an abundance of counter and cabinetry space, not to mention all appliances are included which is an added bonus! Sip your morning coffee or grab a quick snack at the quaint breakfast bar or you can enjoy dinner with loved ones in the spacious eating area.

Relax after long days in the cozy family room complimented by a gas fireplace with raised hearth and brick front as well as plush carpeting. The office can easily be converted into an additional bedroom if needed! The picturesque sun porch boasting wood flooring and a ceiling fan is sure to impress, come unwind and read a book or just gaze out the numerous windows.

Find enough space for your treasured personal belongings in the master bedroom which has three closets. Easily convert each bedroom into the room of your dreams – one of the bedrooms is currently being used as an office but is a bedroom that offers a great closet! Crisp and clean full bathroom features tile flooring. The half bathroom with tile flooring doubles as a laundry area where the washer and dryer are found. Nestled on almost half an acre, and enhanced with a garden, you're sure to have plenty of room for summer fun. The huge patio is awaiting your barbecues and get-togethers! Conveniently located close to town and the linear trail, this one is a true must see!
